

YAHSHUA'S JEWELS

Yahshua's Young People

“Let no man despise thy youth; but be thou an example of the believers, in conversation, in charity, in spirit, in faith, in purity.”

(1 Tim 4:12)

HAVE FUN WITH YAHSHUA AS YOUR GUIDE!!

“Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.” (Philippians 4:8)

Can young people still have fun in today's world? With Yahshua as your guide, the answer is definitely, yes!! Yahshua states in John 10:10b “I am come that they might have life, and that they might have it more abundantly.” From the Webster's dictionary, abundantly means “overflowing, more than sufficient and plentiful.”

Yahshua wants young people to have fun and a meaningful life full of positive experiences. He wants you to be successful in whatsoever you do with him as your guide. He wants you to shine --- he wants you to soar. Whatever is positive or has any virtue, he is there. He wants you to think on things that build positive characteristics in you not negative things that can destroy you.

In the world there are a lot of negative things that Satan is using to try and destroy young people. But remember, we are in the world but not of the world. In Daniel chapter 1, Daniel and the Hebrew boys did not eat the food given to idols like the other young people around them. Yahweh made them ten times smarter than even the King's top advisors. Yahweh also blessed Daniel with the gift of interpreting visions and dreams. Yahweh helped these young people excel and he can help you too.

Young people can still have fun. The Toronto Kipling Assembly has an annual bowling night for their young people. Young and old join in and each year it is a blast!! Annual assembly picnics are planned full of fun games and gifts for all. Sports can also be a blast: soccer, basketball, tennis, badminton, dodge ball, golf, volleyball, baseball, track and field etc. Even learning to play a new instrument, composing your own song or art masterpiece can be fun. Be creative!! Whatever you find as fun, ask if it is positive and ask Yahshua to be there. Yahshua is the best friend ever and he wants your life to be overflowing with positive experiences. Give him a try.
